

Programming Tools for R-Series Analog/SSI and G-Series

R-Series 2004 Analog/SSI

**MTS
Part no.**

R-Series Analog PC Programming Kit

253 309

Includes: power supply, serial converter, 2 connection cables (wired for LIN protocol), and CD

Kit Contains:

Serial converter for programming	253 116
Power supply 100-240VAC / 24VDC, 12W	380 081
Programming cable, R-Series Analog with 6-pin. female connector	253 128
Programming cable, R-Series Analog with quick connecting terminals	253 129
R-Series documentation and software CD	550 993

R-Series SSI PC Programming Kit

253 310

Includes: power supply, serial converter, 2 connection cables (wired for RS-422 protocol), and CD

Kit Contains:

Serial converter for programming	253 116
Power supply 100-240VAC / 24VDC, 12W	380 081
Programming cable, R-Series SSI with 7-pin. female connector	253 130
Programming cable, digital/SSI with quick connecting terminals	253 131
R-Series documentation and software CD	550 993

R-Series Analog Handheld Programmer

253 124

<u>G-Series Analog/Digital-Pulse</u>	<u>MTS Part no.</u>
G-Series Analog PC Programming Kit	253 311
Includes: power supply, serial converter, 2 connection cables (wired for RS-485 protocol), and CD	
Kit Contains:	
Serial converter for programming	253 116
Power supply 100-240VAC / 24VDC, 12W	380 081
Programming cable, G-Series Analog with 6-pin. female connector	253 147
Programming cable, G-Series Analog with quick connecting terminals	253 148
G-Series documentation and software CD	550 971
G-Series Digital-Pulse PC Programming Kit	253 312
Includes: power supply, serial converter, 2 connection cables (wired for RS-422 protocol), and CD	
Kit Contains:	
Serial converter for programming	253 116
Power supply 100-240VAC / 24VDC, 12W	380 081
Programming cable, G-Series Digital-pulse with 6-pin. female connector	253 149
Programming cable, digital/SSI with quick connecting terminals	253 131
G-Series documentation and software CD	550 971
G-Series Analog Handheld Programmer	253 294
G-Series Infrared Setpoint Programmer	380 078
G-Series RS-485 & RS-422 to RS-232 Converter	380 077
